PROPOSER QUESTIONS	PORT RESPONSES	RFP/ RFQ Section
<p>Will you you'll be needing special inspection and construction materials testing services on this project? And if so, how will you be procuring those?</p>	<p>If we need inspection we provide that separately, it is not part of the marine contractor's responsibility.</p>	
<p>Bid item 14, Labor (All Classifications) quantity of 180 hrs. is considerably lower than the range of hours bid during the last couple of times the project was bid. In 2019 the quantity was 1,600 hours and in 2016 it was 1,300 hrs. Please confirm if the currently stated 180 hours is correct or revise as needed.</p>	<p>See Addedndum #1.</p>
